

REMARKS

Applicant expresses appreciation to the Examiner for allowing claims 14-44, 46-73, 91, 93 and 95-97. Regarding the interview of March 6, 2009, Applicant respectfully asserts that the Examiner and Applicant agreed upon amending claims 91 and 96 to recite "a computing device" to overcome the section 101 rejection. However, the Interview Summary provided by the Examiner indicates, in an apparent error, that the Examiner and Applicant agreed upon amending claims 91 and 96 to recite "a computer device". Furthermore, the Examiner, via an Examiner's Amendment, has amended claims 91 and 96 to recite "a computer device". Accordingly, Applicant has amended the claims herein to recite "a computing device" as agreed upon in the interview. Amendments herein are relative to the Examiner's amendments rather than Applicant's previous amendment.

Respectfully submitted,
